Hello Jennifer and Mark:

Jennifer, this plan is to install a sewer within OU2 as part of the I-70 project. I'll ask Megan if they can attend the meeting. It'll be another topic for the September meeting unless you think we should not invite them at this point.

Good Morning All –

Please see the attached letter and information packet regarding the environmental compliance requirements and plans for the Central 70 sanitary sewer work that will occur within the OU2 boundaries.

Please let me know if there are any questions or comments as you are able to review.

Thank you,
Megan
